Hi everyone,

Dates for your calendar

Coffee

Coffee, for many folk, is a **big** part of life. It certainly is for me. Chatting around a good cup of coffee makes for good community connection and good community connection is part of what We are Church holds dear.

So it seemed only fitting to get ourselves a good coffee machine. I hope you have had a delicious cup from our machine?

Also, we will be using Bean There coffee in our coffee machine. Bean There is a company committed to similar values that we hold to as a community. They are proudly Fairtrade, which is an ethical certification whose main aim is to promote more equality and sustainability in the farming sector.

Social Justice

Our community is an amazing space where a large number of people are involved with, either part-time or full-time, in the upliftment of our city and country. From community action forums, to township teacher development to support for trans folk, we are blessed to be a part of so many fabulous initiatives. Please support these as we highlight their needs.
