Community Update

The end of March marks the end of the first quarter of the year and as I have reflected on these past three months, I would say that the theme for WAC has been **growth**, both in numbers and in depth of faith. What do you think? I would love to hear your feedback?

In 2024 our Sunday meetings were averaging around 55 and this year our meetings have been averaging 70. We have also had great engagement and participation this year in all of our other events - socials, youth activities, young adults activities, workshops, pray times, and Zoom conversations. Friends, God is at work and it is a joy and pleasure to watch people heal, grow, learn and find space to love Jesus again.

On 2 March we had a wonderful Pancake event at Nicola and Christopher's place. Well done to nearly 45 WAC-ers who braved driving to Centurion for the morning ;)

< This pic is from Kid's Church and shows the children preparing for a skit about the 'The parable of the fig tree'. You will notice the wealthy landowner (Lianna), Jesus (Brandon), and God (Nqaba) as they put leaves on the tree (Daniel), who the gardener (John) will be commanded to chop down and respond by pleading for the trees life.

Graeme preached on 9 March (<https://youtu.be/xyGZQqfyIXc>) and Nigel preached on 23 March (<https://youtu.be/45xLD5H1FIU>). Please watch these. Both services were very moving.

We had the Trans 101 Workshop on 30 March and had 28 people were in attendance. We are learning a lot, friends and it is good. The next workshop is set for 29 June and the topic is 'Child Protection'.

The last pic in this newsletter has our friend Fabian in the centre with some of the Prism Uganda members. Fabian passed through Uganda recently on his way to speak at The Global Activist Academy.
