Community Update

Once again WAC has had a busy month - with all the changes around dates and me being away, everyone has had to chip in and assist - THANK YOU all for your efforts and energy, especially Nicola and Nigel, big shout out. We survived the Wanderers Road Race and the winter and we now look forward to a fabulous summer and can count down the days to CHRISTMAS WITH **MUNEYI!!**

Please keep our matrices in your prayers as they are now in the thick of things. As always, Julia has made each of them "Goodie Bags". She does this every year as a way of reminding them to hang in on our behalf. Thanks Julia.

On Saturday 23 August Kevin kindly ran a First Aid Course for about 18 people, as part of our Safe Guarding Strategy. I hosted the event but was not a participant - I simply witnessed the giggles and anxiety as each person had to practice CPR, bandaging and performing emergency procedures. This is Laura doing CPR.

On Sunday 24 August we held a Workshop on Palestine - there were around 40 of us in attendance. The idea was to try and understand some of the history of the conflict. We spoke the history of Palestine, about terminology, for example, being Jewish, Israeli, and Zionist - the

differences. We spoke about Zionism as a political ideology and the fact that we can be in opposition to this AND should still be loving and kind to ALL human beings including Jewish people, while actively seeking justice for those suffering genocide in Gaza. It was an informative and helpful time. Watch this space for some of the action items that came out of our conversations.

On 10 August Graeme spoke from Isaiah 1 and then we had an incredible interactive worship time, here

On 31 August Nicola shared a very powerful sermon with us 'Come to the Table' from Luke 14: <https://youtu.be/VeBe2hgeKis>
